

Food Science Building Addition - Body Composition Lab

Entrance to the extension of the Food Science Building (Side doors facing McGilvray Street).

Directions to the parking lot:

- If you are coming from College Avenue, turn south on to Gordon Street. The first right turn available is McGilvray Street, turn here. The Food Science Building is the building to your left.
- If you are coming from Stone Road, turn north on to Gordon Street. Follow Gordon Street to the second set of lights. Take the first left after the lights onto McGilvray. The Food Science Building is the building to your left.

Parking: You may park at one of the parking meters beside the Food Science building along McGilvray St. If you are visiting for a Guelph Family Health Study Health Assessment visit during regular parking hours at the University of Guelph, we will pay for your parking at the parking meter. You will be responsible to pay any parking tickets received while parked on campus.

Directions to the Food Science Building Addition: The building you are looking for is the extension to the food science building.
